**NOTICE FOR FOREIGN NATIONAL CANDIDATES**

The foreign national candidates, who are eligible for the online counselling of MD/MS for session July-2020, can only fill three choices of specialization as they had already filled while applying online for MD/MS course and which has also been submitted to the ministry. However, they can change their preferences within those three choices of specialization only. No other choice of specialization, filled by any candidate belonging to Foreign National, will be entertained. Those who have already gave their preferences beyond those three choices of specialization, the seat will be allotted to them strictly on the basis of their choice of specialization already filled during the time of submission of online application and fresh choice of specialization will not be taken into consideration.
