**About CCMN-2020**

CCMN-2020 is a common platform for candidates to apply for admissions in M.Sc./ M.Sc. (Tech) programmes, based on their JAM score of year 2020, in NITs, IIEST Shibpur, and some CFTIs (For details, please refer the list of Participating Institutes on CCMN website). This centralized system provides a common and convenient platform for online counseling wherein the candidates can fill-in single online application form from their homes and apply to all programmes in all the participating institutions to which they are eligible. The CCMN was initiated in the year 2015 for centralized admission for PG (M.Sc./ M.Sc. (Tech)) programmes and since then has undergone several changes to make it more student-friendly and included newer institutions under its umbrella. CCMN-2020 enormously increases the overall convenience of candidates by performing the major activities of counselling process online such as document verification, willingness change, withdrawal, etc. For this purpose, after seat allotment, the candidates will be required to upload the needful documents and complete the process. Candidates are allowed to participate in both regular rounds and Special Rounds even if one has obtained a seat in the regular round. The prospective candidates are advised to carefully read the information brochure and various other documents given on CCMN website.

1. Introduction
The centralized online process for admission to PG programmes M.Sc. /M.Sc. (Tech.) is being organized by CCMN-2020 for NITs, IIEST Shibpur, and some CFTIs, hereinafter called `Participating Institutes' (PIs), as per schedule given on website. These are the premier institutions of the country imparting world class science and technical education.

Important features of the admission procedure, admission schedule, process flow chart and contact details of CCMN-2020 Headquarter are given in this brochure. The list of PIs and their Seat Distribution, Eligibility Matrix, Date of commencement of classes, Fee Structure, Contact Addresses etc. are given on the CCMN website https://ccmn.admissions.nic.in. Candidates are advised to read this brochure carefully and visit the CCMN website regularly for updates and other details regarding the online counseling process.

The counseling process of Regular Rounds consists of three stages (refer section 5 for details and Annexure I for Flow Chart of the Counselling process):

- Online Registration, Choice Filling and Locking of Choices (refer section 5.1)
- Three Rounds of Counselling: Seat Allotment, Depositing Seat Acceptance Fee, Uploading Documents, Submitting Willingness, and Online Document Verification (refer section 5.2)
- Online Document Verification and Admission at the Finally Allotted Institute (refer section 5.3)

In addition to above regular Rounds, two Special Rounds (SR) will also be conducted to fill-up the vacant seats, if any. The counselling process of Special Rounds will also consist of three stages (as mentioned above for regular rounds) with a difference that instead of deposition of seat acceptance fee after allotment of seat, the candidate will be required to deposit the participation fee (refer Table 3) at the time of registration itself. For detailed counselling process of Special Rounds, please refer Section 7.

The CCMN-2020 counseling is not for candidates seeking admission to Sponsored Seats or Part Time programmes. They should contact the respective Institutes for the same.

2. Eligibility Requirements
A candidate to be eligible for M.Sc. /M.Sc. (Tech.) programme:

1. Must have a valid JAM score of the year 2020.
2. Must possess a qualifying degree in the respective discipline or the relevant discipline as prescribed by the PI with 6.5 CGPA (on a 10-point scale) or 60% for Gen/EWS/OBC, whereas 6.0 CGPA (on a 10-point scale) or 55% for SC/ST/PwD. The above mentioned CGPA/Percentage should be as awarded by the
University/Institute. Conversion from CGPA to percentage or vice-versa given by the respective institute will not be considered.

3. In case, result of the qualifying degree is awaited, provisional admission is permitted to a student subject to meeting above minimum academic requirements latest by September 15, 2020 and all other eligibility requirements. In these cases, all exams should have been completed by July 15, 2020. A certificate from the head of current institute (format given in the CCMN website) to that effect should be submitted during document verification.

4. For each programme, eligibility is defined based on certain combinations of degree-disciplines and JAM paper. Please refer to CCMN website https://ccmn.admissions.nic.in for the seat matrix and eligibility matrix, which provides number of seats available under different categories in each programme.

5. For certain programmes in few participating Institutes, special eligibility criteria are applicable (given on CCMN website). Eligibility against these special requirements shall not be checked during the registration process but will be verified during online document verification as well as during physical reporting at the finally allotted institute. Candidates are required to ensure that they fulfil all such special requirements before choosing such programmes during choice filling. Candidates will be solely responsible for their fulfilling of and compliance to these special eligibility requirements. CCMN-2020 will not entertain any claims arising out of their failure to comply these special eligibility criteria even at a later stage.

3. Rules for Seat Allotment

3.1 Merit List Preparation
Merit for seat allotment will be prepared based on “Common Percentile” (calculated from the JAM Rank of year 2020) obtained by the candidate. In case of same “Common Percentile”, to resolve and determine inter-se-merit of candidates, following criteria will be used in the stated order.

i. The Preference will be given to that candidate who has obtained higher JAM Score in the year 2020.

ii. In unlikely event of candidates having same JAM score, Date of Birth will be considered for breaking tie. Elder candidate will be given preference.

iii. In highly unlikely event of candidates having same “Common Percentile”, JAM score, and Date of Birth, rank will be decided on the basis of Random number generation. Candidate with lower random number generated will be given preference.
3.2 Allotment Rules
Seat allotment is based on the merit list, choice list, category of the candidate, and availability of seats. Sequence in which seat categories are considered for seat allocation is given in Table 4:

The above sequence (in third column) will be followed only for those seat categories in which the candidate has valid qualifying JAM marks.
3.3 De-reservation Rules
De-reservation is the conversion of unfilled seats of some categories to other categories. There will not be de-reservation of unfilled seats in regular rounds. However, in Special Rounds-1 and 2, the unfilled seats will be de-reserved. In a particular round (SR-1 and SR-2), first iteration of allotment will be carried out without de-reservation and then the subsequent iteration will be carried out with de-reservation of unfilled seats related with some categories as per following rules.

The following sequence will be adopted for category-based de-reservation:

a. Open-PwD $\rightarrow$ Open
b. Gen-EWS-PwD $\rightarrow$ Gen-EWS
c. OBC-PwD $\rightarrow$ OBC
d. SC-PwD $\rightarrow$ SC
e. ST-PwD $\rightarrow$ ST
f. Gen-EWS $\rightarrow$ Open
g. OBC $\rightarrow$ Open

The OBC/GEN-EWS seats will be de-reserved to Open Seats ONLY when OBC/Gen-EWS candidates, possessing the minimum eligibility criteria, are not available for the respective category seats. Similarly, the PwD seats will be de-reserved to non-PwD seats ONLY when PwD candidates, possessing the minimum eligibility criteria, are not available for the respective PwD seats.

4. Reservation of Seats
Reservation of seats for various categories is as per the norms of Government of India. Please refer to CCMN website for the detailed seat matrix.

5. Counseling Process for regular rounds
The counseling process broadly involves the following stages:

i. Online Registration, Choice Filling and Locking.
ii. Three Regular Rounds of Counselling
iii. Physical Reporting at the Finally Allotted Institute for Admission.

5.1 Online Registration, Choice Filling and Locking

5.1.1 Online Registration and Payment of Registration Fee
To participate in the CCMN 2020 counseling process, all eligible candidates must first register themselves through an online registration process during the specified period (refer Schedule given on website) by providing JAM credentials, qualifying degrees, personal details etc. and paying the requisite registration fee (refer Table 3 for fee details). The registration fee can be paid using the
SBI-MOPS in online mode (Net Banking/ Debit Card/ UPI) or at any branch of SBI through e-Challan (refer section 8 for payment methods).

Please note that:

- The registration fee is non-refundable and will NOT be adjusted towards any other fee.
- All candidates must carefully enter their correct personal details, academic credentials, bank details, and other information during online registration.
- Candidates must read carefully all terms and conditions before clicking on the “I agree” check box.
- If the information submitted by the candidate is found to be fraudulent, incorrect or untrue at any stage, the seat allotted (if any) will be cancelled without any further reference and fees paid may be forfeited. Moreover, such candidate may no longer be considered eligible in subsequent rounds for admission and may also be liable for legal action.

### 5.1.2 Choice Filling and Locking

Upon successful registration, the candidates will be able to fill and lock their choices of programmes in the order of their preference from the list of eligible programmes offered by various PIs appearing in their respective CCMN login. During the choice filling, the candidates are free to change, reorder, delete and add their choices of programmes / Institutes as per their preference within the stipulated time period. The candidate will not be able to add/delete/reorder the choices after locking the choice list or due date and time of choice filling is over. Candidates must take print copy of their registration form, which contains the locked choices and terms and conditions. This print copy has to be signed and submitted by the candidate at the time of physical reporting at the finally allotted Institute.

Please note that:

- **Candidates must ensure themselves that they fully satisfy the eligibility criteria, including the special eligibility criteria** (given in the CCMN website) for their chosen programmes, before filling and locking them in their choice list. CCMN and PIs are not responsible for cancellation of their allotted seat and/or admission due to their non-fulfilment of eligibility criteria, including special eligibility criteria.
- All the candidates must lock their final choices by 23:59 hrs IST of the last day of choice locking as per CCMN-2020 Schedule. If a candidate fails to lock her/his choices by 23:59 hrs IST of the last day of choice locking, her/his last saved choices will be automatically locked and the same list will be considered for further counseling process.
- The saved choice list of the candidate must contain at least one programme. Registered candidates who do not fill any choice or fail to save them by 23:59 hrs IST of the last day of choice filling will not be considered for seat allotment and admission.
- **Candidates will not be able to unlock or change their choices once the choices are locked.** Hence, they are advised to lock their choices very carefully.
Candidates may take assistance through helpline email ccmn2020help@mnit.ac.in regarding issues related with registration and choice filling.

5.2 Three Regular Rounds of Counselling
Three rounds of seat allotment and document verification will be conducted, which will be followed by physical reporting at the finally allotted institute.

5.2.1 First Round of Counselling
Eligible candidates for seat allotment: Candidates who have registered for CCMN-2020, paid registration fee and filled & saved choices.

5.2.1.1 Seat Allotment
All the available seats will be considered for allotment. The choices submitted by the candidates during registration will be processed and a seat will be allotted based on the merit, as per the rules of allotment (See Section 3). The allotment result will be declared on the CCMN website and candidates will be able to download their Provisional Seat Allotment Letter (PSAL) from their CCMN login after depositing the Seat Acceptance Fee. No hard copy of Provisional Seat Allotment Letter will be sent to the candidates individually.

On allotment of a seat, the candidate is required to pay the seat acceptance fee, upload the required documents, and submit willingness as per the procedure mentioned in subsequent sections. If the candidate fails to perform any of these activities within the stipulated time period, (s)he will lose any claim on the allotted seat and will not be considered for seat allotment in subsequent rounds of counseling.

5.2.1.2 Payment of Seat Acceptance Fee
When a seat is allotted to the candidate, (s) he has to pay the Seat Acceptance Fee (refer Table 3) through SBI-MOPS (refer section 8 for methods of payment) during the period mentioned in the Schedule given on website. In case the candidate fails to pay the Seat Acceptance Fee, her/his seat allotment shall automatically stand cancelled and (s) he will not be considered for the subsequent rounds of allotment. Proof of payment of Seat Acceptance Fee has to be produced by the candidate at the time of physical reporting at the finally allotted institute. Only after payment of seat acceptance fee, the candidate will be able to download the Provisional Seat Allotment Letter (PSAL), upload the documents and submit willingness online.

5.2.1.3 Online Document Uploading
On allotment of a seat and payment of seat acceptance fee, the candidate will have to upload the required documents (as per list mentioned in Annexure-III) through their login for online verification as per the schedule given on website. Please note that the option of document upload
will be enabled only after payment of seat acceptance fee. Guidelines for document uploading will be made available on the CCMN website.

PwD candidates are required to upload the scanned copy of an Affidavit in a format mentioned in Annexure-VI in addition to the PwD certificate, which they need to carry in original at the time of physical reporting at the allotted institute.

If the original certificates are not in English/Hindi, English/Hindi version/translation of such certificates, duly certified by the Principal/Director or other competent authority of the graduating Institute, will be required.

5.2.1.4 Online Submission of Willingness

On allotment of a seat and payment of seat acceptance fee, the candidates are required to exercise one of the following willingness online through their login:

i. **Float**, if they wish to be considered in the next round for all of their better preferred choices (*i.e.* across the Institutes).

ii. **Slide**, if they wish to be considered in the next round for their better preferred choices only within the Institute allotted to them.

iii. **Freeze**, if they are satisfied with the currently allotted seat and not interested in their better preferred choices in the subsequent round(s).

5.2.1.5 Online Document Verification

The document verification will be done by the verifying officer of the respective allotted institute only in the online mode. In case of a doubt regarding the documents, the Document Verifying Officer of the allotted Institute will raise a query to the candidate, against which, the candidate can respond through her/his login. This interaction between the Document Verifying Officer and the candidate can occur multiple times till the issue is not resolved. The candidate will be compulsorily required to submit his clarifications/documents in response to the queries raised by the Document Verifying Officer of the Allotted Institute in the stipulated time period, failing which he will be treated as Not-Reported, and hence her/his seat will be cancelled and will not be considered for seat allotment in subsequent rounds. In case, the seat is cancelled in Regular Rounds, the candidate may participate in Special Rounds, if (s)he fulfills the eligibility requirements at that time.

**Updation of Candidate’s data / Cancellation of seat during document verification**

a. During document verification, if the personal data submitted by the candidate during online registration is found to be false, her/his seat allotment is liable to be cancelled.

b. If a candidate fails to produce valid category/PwD certificate, her/his allotment will stand cancelled if the presently allotted seat was based on her/his claimed category. However, in such case, if still eligible after updation of the category, (s)he may be considered for allotment in subsequent rounds, as per her/his updated category. But, after updating the category, if the
candidate does not satisfy the minimum eligibility criteria, (s)he will NOT be considered for the subsequent rounds of counseling process. The category data may be updated during the online document verification period, after obtaining an undertaking (Annexure-VII) from the candidate to be uploaded online (which will be required to be submitted in original at the time of physical reporting at the finally allotted institute).

c. In case, the candidate is found ineligible at the time of document verification (online / physical reporting at the allotted institute) due to mismatch between her/his degree/discipline as per documents and that filled up during registration, her/his seat is liable to be cancelled and qualification degree/discipline name will be updated in the system. Such candidate will be considered in subsequent rounds and only those choices will be considered for allotment for which (s)he is eligible as per her/his updated qualification degree/discipline. Refer section 11
for Eligibility matrix of various programmes. The candidates are responsible to check the programmes in which they are eligible before including them in Choice List during registration.
d. In case, the marks/CGPA filled in during registration do not match with that in documents, the same will be updated by the Document Verifying Officer. If the candidate fails to satisfy the minimum eligibility criteria based on updated information (refer section 2), her/his allotted seat shall stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any.
In case, the qualifying degree passing status filled in at the time of registration, is found to be different at the time of document verification, her/his qualifying degree passing status will be updated in the system if status is changed from “Appearing” to “Passed” but vice-versa is not allowed. In case, the status is changed to “Passed”, the minimum eligibility criteria will be checked as mentioned above.
e. In case, Candidates having qualifying degree status as “Appearing” and have not uploaded course completion certificate (format available in CCMN website), duly signed by the head of the institution, her/his allotted seat shall stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any.
f. In case, the candidate’s qualifying degree passing year filled in during registration does not match with the documents, it will be updated in the system.
g. In case the date of birth filled up by the candidate during registration does not match with the documents, then the seat may be cancelled if the actual date of birth (as per documents) is later than that filled by the candidate during registration.
h. If a candidate does not fulfil the special eligibility criteria for the allotted seat, if any, her/his allotment will stand cancelled. However, (s)he will be considered for allotment in further rounds against the programmes for which (s)he will be eligible.

In case of seat cancellation due to any of the above reason, NO fresh choice filling will be permitted at this stage under any circumstance. Refund of Fee will be dealt by the Refund Rules (refer section 9).

**Issue of Online Document Verification Certificate (ODVC)**
As an outcome of online verification of documents, an ODVC will be generated, which will be available for download in the candidate’s login. The ODVC will indicate the personal details of the candidate, details of the Institution and programme allotted, details of seat acceptance fee, the willingness (Float or Slide or Freeze) exercised by the candidate for subsequent rounds of allotment, and STATUS of document verification. The candidate should check all the entries in the ODVC and download it for producing the signed copy of the same at the time of physical reporting at the finally allotted institute.

All the candidates who have obtained ODVC from the portal and have Float or Slide willingness, should regularly visit the CCMN website for the status / up-gradation of their allotted seat in the
subsequent rounds of allotment. They should take a print copy of the document (PSAL) indicating the new allotment if any, as available on the CCMN website.

Based on documents uploaded by the candidate for online document verification and fulfillment of queries raised by the document verifying officer, the STATUS of ODVC may be:
- Documents Verified Online
- Seat cancelled and eligible for subsequent rounds
- Seat cancelled and not eligible for subsequent rounds

After successful document verification and confirmation of the seat, the candidate will be required to complete the admission formalities by depositing the balance institute fee during the period of “Online Admission” after Round-3 of Regular Rounds as per schedule mentioned on the CCMN website failing which their seat will be cancelled and it will be treated as “Auto-Withdrawal”.

After taking online admission in the allotted institute by depositing the balance fee in the stipulated time, the candidates are required to report physically at the Finally Allotted Institute in the “Physical Reporting” period after Special Round-2 as per schedule mentioned on the website, failing which their seat will be cancelled and the fee deposited will be forfeited.

In case of seat cancellation, the candidate will lose any claim on the cancelled seat and the refund, if any will be made as per refund rules (refer section 9).

5.2.1.6 Change of Willingness / Withdrawal

After document verification, the candidates can exercise one of the following options during the period given in the schedule on website, if required:
- Change of Willingness (One more type of Willingness “Surrender and Participate in Next Round” is provided here in addition to “Float”, “Slide”, and “Freeze”)
- Withdrawal

This activity is optional, hence, if a candidate does not exercise any of these options at this stage, the `WILLINGNESS` submitted earlier will be carried forward for subsequent rounds of allotment. Once ‘Withdrawal’ is exercised by a candidate (s)he will not be allowed to change the Willingness, however, vice-versa is allowed.

These options may be exercised by the candidate through her/his login well authenticated by a One-Time Password (OTP).
While exercising the option, same One-Time Passwords (OTPs) will be sent to the registered mobile number and email ID of the candidate. Candidates are required to enter the OTP correctly to confirm the chosen option.

5.2.1.6.1 Change of Willingness
Candidates, who have already exercised their willingness at the time of online document uploading through their login and got the documents verified successfully online, may change their willingness for subsequent rounds ONLINE during the period given in the schedule on website through their CCMN login. One more type of Willingness “Surrender and Participate in Next Round” will also be available at this stage. Permission to change in Willingness will be as per following Table:

<table>
<thead>
<tr>
<th>From</th>
<th>To</th>
</tr>
</thead>
<tbody>
<tr>
<td>Float</td>
<td>Slide</td>
</tr>
<tr>
<td>Float</td>
<td>Freeze</td>
</tr>
<tr>
<td>Float</td>
<td>Surrender and Participate in Next Round</td>
</tr>
<tr>
<td>Slide</td>
<td>Freeze</td>
</tr>
</tbody>
</table>

i.e. the willingness can be changed from Float to Slide, or Float to Freeze, or Float to “Surrender and Participate in Next Round”, or Slide to Freeze. The vice-versa changes, i.e., from Freeze to Slide, or “Surrender and Participate in Next Round” to Float or Freeze to Float, or Slide to Float are not permitted.

This activity is optional, hence, if a candidate does not change the `WILLINGNESS', her/his earlier specified WILLINGNESS will be considered in the subsequent round(s) of allotment.

Surrender & Participate in Next Round:
After successful online document verification, if the candidate wishes to surrender the currently allotted seat at this stage but wishes to participate in subsequent rounds, s/he may select this Willingness, which means the candidate REJECTS the offered seat in the current round and wishes to participate in the next round. Such candidate will be considered in the next round for her/his choices above the currently allotted seat (which s/he has surrendered). Irrespective of the candidate being allotted / not allotted any seat in the next round, s/he will have no claim on the seat allotted in the current round, which s/he has surrendered. This implies if no seat is allotted in next round, the candidate will lose the already allotted seat in the current round.
5.2.1.6.2 Withdrawal of Allotted Seat
After successful document verification, if a candidate wishes to withdraw from CCMN-2020, s/he can do so ONLINE by logging in to her/his CCMN login. The withdrawal from counseling process can be done during the period given in the schedule on website.
All candidates, who withdraw their seat, forfeit all claims on the seat allotted to them. After the allotted seat is cancelled, the candidate cannot participate in further rounds of counseling process, however can apply in Special Rounds as a fresh candidate by paying the required fee.

| Type-IV: | Registered candidates who were allotted seats in previous round, deposited seat acceptance fee, got documents verified online successfully, and have exercised “Surrender and Participate in Next Round” option |

5.2.2.1 Seat Allotment
The choices of eligible candidates as mentioned above will be processed and a seat will be allotted based on the merit, as per the rules of allotment (see Section 3). The choices to be considered for allotment will be based on rules below:

**Float:** All the choices above the choice allotted in previous round will be processed. If no higher choice is allotted based on the merit, then the seat allotted in the previous round will be retained.

**Slide:** All the choices (of the Institute allotted in previous round) above the choice allotted in previous round will be processed. If no higher choice is allotted based on the merit, then the seat allotted in the previous round will be retained.
**Surrender & Participate in Next Round:**
All the choices above the choice allotted in previous round will be processed. If no higher choice is allotted based on the merit, then the candidate will proceed further in the counselling process without any seat in her/his hand and the candidate will have no claim on the surrendered seat.

**Freeze:**
There will not be any change in Seat Allotment, however, such candidates will be processed only for category upgradation.

If the allotted seat is of better preferred choice for a candidate who had specified her/his willingness as Float/Slide in the previous round then s/he will forfeit the claim on the seat allotted to her/him in the earlier rounds.
The allotment result will be published on the CCMN website and, candidates can download their provisional seat allotment letter from their CCMN login. **NO hard copy of provisional seat allotment letter will be sent to any candidate.**

In addition to verification of the documents, the officials of the allotted institute will also check the special eligibility conditions if any, for the seat allotted to the candidate.

Even after having ODVC generated from Portal after online document verification earlier, while verifying documents by the newly allotted institute, if it is found that the candidate is not eligible
for the allotted seat then her/his seat allotment will be cancelled for which the candidate alone will be responsible. The CCMN/allotted Institute will not be responsible for cancellation of allotted seat/admission due to non-fulfilment of required eligibility criteria.

During document verification by the allotted Institute, if any discrepancy is found in candidate’s personal data, it will be dealt as per norms mentioned in section 5.2.1.5. However, the candidates who are going to register for Special Rounds as per Schedule (notified on CCMN website) are not required to pay the balance fee of the allotted institute. They are required to upload an affidavit (in the format given in Annexure-V) in this regard. If such a candidate DOES NOT REGISTER for Special Rounds during the stipulated time, her/his current allotted seat from Regular Rounds will be cancelled and (s)he will not be considered for the Special Rounds. This will be treated as Auto-Withdrawal from the Counseling process. The Seat Acceptance Fee paid by such candidate before the Special Round, will be refunded by CCMN as per refund rules mentioned in Section 9.2.

The PwD candidates will be required to undergo the medical examination by the medical board of the finally allotted institute at the time of physical reporting after Special Rounds as per Schedule mentioned on the website. Based on medical examination, if the medical board finds the candidate ineligible for PwD category at that time, her/his seat may be cancelled.

As an outcome of successful online document verification and online deposition of balance fee at the finally allotted Institute, a Provisional Admission Letter (PAL) will be generated.

If a candidate fails to deposit the balance fee of the allotted institute as per the schedule given on website, then the allotted seat will be automatically cancelled. Refer section 9 for refund rules.

The candidates are required to report physically at the Finally Allotted Institute in the “Physical Reporting” period after Special Round-2 as per schedule mentioned on the website, failing which their seat will be cancelled and the fee deposited will be forfeited.
